Juniperus communis fruit oil	Plant	Natural fragrance
Vetiveria zizanioides root oil	Plant	Natural fragrance
Mentha piperita (peppermint) oil	Plant	Natural fragrance
Canola oil	Plant	Natural fragrance
Butylene glycol	Sea plant	Soothing agent
Polysorbate 20	Plant	Microcirculation
Xanthan gum	Plant	Emulsion stabilizer
Disodium edta	Science	Chelating agent
Phenoxyethanol	Science	Preservative
Ethylhexylglycerin	Science	Skin-conditioning agent
Potassium sorbate	Science	Preservative
Ultramarines (CI 77007)	Inorganic/mineral	Colorant
Iron oxides (CI 77492, CI 77499)	Inorganic/mineral	Colorant
Limonene	Plant	Natural fragrance
Linalool	Plant	Natural fragrance

SeaSource Detox Spa® 5-in-1 Essential Massage Oil

Massage has many medically proven detoxifying benefits that include increasing and improving microcirculation and enhancing lymphatic drainage. This essential oil blend contains stimulating, marine-derived ingredients to help remove toxins and deliver nourishing minerals. Deep skin conditioning is provided by linoleic acid derived from sunflower, safflower, jojoba, lavender and olive oil. Bisabolol from chamomile provides calming and anti-irritating effects. Its 5-in-1 formula preps skin for further detox treatments and can be used for body and facial massage, as a bath additive, as a purifying facial steam and for relaxing aromatherapy.

Recommended for: all skin types.

When to use: daily, or as desired.

Caution: avoid contact with eyes. If contact with eyes occurs, rinse thoroughly with cool water. **Keep out of reach of children. For external use only.** Not recommended during pregnancy.

SeaSource Detox Spa® 7 Day Body Cleanse Dietary Supplement

Experience a cleansing beverage of detoxifying botanicals. The marine botanicals infused in this concentrated dietary supplement stimulate, strengthen and support health and beauty from the inside out, by assisting with gentle elimination and flushing out excess fluids.^o Milk thistle helps to protect and improve the function of the liver by detoxifying metabolic waste.^o Marine botanicals provide beneficial vitamins, minerals and antioxidant support to protect cells from the harmful effects of free radicals.^o

Recommended for: adults.

When to use: Drink one full bottle of concentrate mixed with one quart of water throughout the day, every day, for seven consecutive days.

Usage: Add one serving (one ounce) of concentrate to the SeaSource logo bottle and a quart (32 ounces) of water. Shake to mix. Natural ingredients may settle at the bottom of the container, so shake before each use. Use 7-Day Detox once every 30 days. Do not use for more than 14 consecutive days.

Supplement Facts Panel

Serving Size: 1 fl. oz. (30 mL) / (1 bottle)

Herb Functions:

Senna — A powerful treatment for constipation.²

Astragalus — Classic energy tonic.¹

Rhubarb — Truly cleanses the intestines by removing debris and then acting as an astringent and antiseptic to cleanse and sanitize.²

Psyllium — A non-digestible fiber, helps scrub the intestinal tract, loosening and cleaning toxins.³

Milk Thistle — Relieves constipation.⁴

Aloe Vera — Traditionally used to treat constipation and to treat intestinal infections.³

Nettle Leaf — Astringent, diuretic; can strengthen support the entire body.²

Cascara Sagrada — Encourages peristalsis and tones relaxed muscles of the digestive system.²

Buckthorn — An effective and safe laxative.²

Slippery Elm — A fibrous bark, large quantities act as a gentle laxative that soothes the digestive tract.³

Meadowsweet — Soothes the mucous membranes and inflammation of the digestive tract.²

SeaSource Detox Spa® Detoxifying Rescue Wash

The sea algae extracts in this sulfate-free cleanser provide antioxidant benefits to help neutralize the toxicity of heavy metals (e.g. lead, mercury, chromium and cadmium). Research indicates that heavy metal build-up can lead to poor digestion, hormonal imbalance and depression. This unique formula lifts away impurities and environmental toxins and also provides a moisture barrier on the skin's surface to provide a relaxed, comfortable feel.

Recommended for: All skin types.

When to use: Daily, or as desired.

Caution: Avoid contact with eyes. If contact with eyes occurs, rinse thoroughly with water. For adults only.

Keep out of reach of children. For external use only.

Mentha piperita (peppermint) oil	Plant	Natural fragrance
Canola oil	Plant	Natural fragrance
Silica	Mineral	Anti-caking agent
Limonene	Plant	Natural fragrance
Linalool.	Plant	Natural fragrance

Relax in a warm bath that helps dilate blood vessels, improve circulation and increase perspiration. It also energizes the skin, similar to the way exercise stimulates our muscles, and helps induce a deeper sleep, all of which contribute to purification and wellness. A warm bath is very important to detoxification. Purify and nurture in a relaxing soak rich in mineral salts and trace elements found in Atoligomer®, a sodium-free, spray-dried seawater known to re-mineralize and revitalize. Emerge with a renewed spirit, pampered skin and a purified body.

Recommended for: all skin types.

When to use: daily, or as desired.

Caution: For adults only. **Keep out of reach of children. For external use only.** Not suitable for people allergic to iodine.

SeaSource Detox Spa® Re-Mineralizing Body Lotion 24H

Providing a 24-hour shield against environmental pollutants, hydro-trap technology together with high-performance humectants delivers optimal moisture to guard against all-day moisture loss. This restorative body moisturizer — rich in shea butter and marine botanicals that contain antioxidants, vitamins and minerals — is designed to deliver a firmer looking appearance and a skin-softening effect.

Recommended for: all skin types.

When to use: daily, or as desired.

Caution: Keep out of reach of children. For external use only.
